

# Habitat Explorers

Sheet  
1

## What habitats are here?

- ✿ You are going to explore your natural surroundings, looking at two different habitats.
- ✿ Your teacher will take you to each habitat and tell you what it is called.
- ✿ You then need to have a good look around each habitat and answer the questions about it.

### **Habitat 1** What is this habitat called? / .....

Is the habitat OPEN or SHELTERED (circle one)

Is the habitat SHADY or LIGHT (circle one)

Is the habitat WET or DRY (circle one)

What does the habitat include? (Tick boxes for everything you see)

Short vegetation

Tall vegetation

Bare soil

Flowing water

Still water

Marshy ground

Large trees

Shrubs

Young trees

Hedges

Dead wood

Dead leaves/vegetation
